TITAN Decision Making Tree
Updated 7.2011

1. Is the project interdisciplinary?
   - Yes
   - No

   2. Does it tie to the mission?
      - Yes
      - No

   3. Does it support 1+ core areas (Interventions, Collective Trauma, and/or Occupational Health & Trauma?)
      - Yes
      - No

   4. Is the project reasonable? (Or is it too big, too fast pace, over our heads?)
      - Yes
      - No

   5. Are there resources for this project?
      - Funding? (Self funded? Or TITAN funded?)
      - Time? (Whose? How much?)

7. Does the project meet at least one of our values? (Check all that apply.)
   - Collaboration
   - Empowerment
   - Community and civic engagement
   - Compassion and dignity
   - Scholarly based innovation
   - Flexible approach to problem solving
   - High quality meaningful work
